MEETINGS

1. All Discipleship, Life Groups and Ministry-related face-to-face meetings **will be cancelled**. We encourage everyone to **stay home** unless leaders need to minister to someone on emergency matters.

Leaders are to take into consideration those from vulnerable groups (i.e. children, elderly, and those with physical health conditions).

2. When meeting people, minimise physical contact, avoid handshakes (use alternative greetings), practice heightened personal hygiene, social etiquette and observe [safe distancing](#) measures as mandated by the law.
3. We highly recommend to continue meeting your Discipleship, Life Group or Ministry teams by **hosting or attending an online session** with our church family.

Thank you for all your support and understanding. We will continue to monitor the situation and provide updates where necessary.

Finally, let us keep praying unceasingly and be a channel of hope and grace to those around us. Let us also constantly be reminded that we should NOT fear, **“for God is with us; be not dismayed, for He is our God; He will strengthen us, He will help us, He will uphold us with His righteous right hand”**. (Isaiah 41:10).
