LINK

 Connect to God's truth by sharing...

- The foundation of any building will determine how strongly it can withstand unforeseen occurrences.
- The same is true for us as believers.
- Our first foundation is repentance—we have to willingly surrender our ways and follow Jesus' ways.
- True repentance is rooted in our relationship with Him.
- When we repent and turn to Jesus, it is because we don't want anything to separate us from Him.
- Having the presence of God is so much more valuable than any pleasures in life.
- The best part is, Jesus Himself gives us the strength to turn away from sin.
- No matter how sinful we were, following Jesus can change our hearts and minds.
