 Connect to God's truth by sharing...

- The Bible tells us that there will be a major turning point to come.
- That is when Jesus returns and judges everyone on earth.
- Should we be afraid because our lives are uncertain, messy, and painful?
- In God's sovereignty, He can use the trials on earth to mold our character and grow our holiness.
- We are made in Christ's image and becoming more and more like Him every day.
- The more we get to know God, the more we will see how much He loves us.
- And when we truly love God and understand His love for us, it will be seen in the way we love other people.
- With God's strength, we can live holy and godly lives on earth, loving Him and loving others.
