“Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more than food, and the body more than clothes?”

Connect to God's truth by sharing...

- The things that you value have a hierarchy. There's always something that we value more and something we value less.
- Ideally, the values higher on the list are more enduring than those lower.
- These higher values may even be nonmaterial or intangible.
- We can think of the overall hierarchy of values in this way: Spiritual, Relational, Physical, and Financial.
- The things of most value in this world and until eternity are our relationships, first with God (spiritual), then with others (relational).
- Third is physical: our bodies are created marvelously by God and He is the one who gives life and health.
- And lastly, financial: everything we have comes from God, our great Provider.

Pray Together (*pick one*)

- Pray for the hierarchy of values in your life to realign so that what is most enduring and important goes first.
- Pray to grow continuously in managing your spiritual life, relationships, health, and finances.
