 Connect to God's truth by sharing...

- Now that we are in Christ, the Holy Spirit is in us. The Holy Spirit is our proof of citizenship in the kingdom of God!
- When He was on earth, Jesus illustrated the kingdom of God to His disciples and the people using parables.
- He described the kingdom of God as gradual, yet unstoppable. It may look small, but it has life-changing impact.
- The kingdom of God is hidden, and valuable. Its value is such that everything else pales in comparison.
- The kingdom of God is gracious and just. While God is patient, He will also conduct a final judgment at His appointed time.
- As people of God, we can enjoy God's rulership of love, light, and hope. We will see our lives transformed. And we will help others know Jesus too.
