Key Points

Connect to God's truth by sharing...

- Through the gospels, we see many examples of faith in action. Here are just a few.
- **Faith looks like gratitude.** When Jesus healed ten lepers, only one came back to thank Him (Luke 17:11–17). Faith recognizes God as the source of every gift.
- **Faith looks like persistence.** The blind beggar kept crying out to Jesus until he was healed (Luke 18:35–43). Faith holds on to God despite delays, obstacles, or silence.
- **Faith looks like humble trust.** The widow gave her last two coins—all she had to live on—trusting God to provide (Luke 21:1–4). Faith surrenders everything, relying on God's grace and not our own strength.
- As followers of Jesus, we too can live out this kind of faith in our daily lives.
