## PRAY

- Thank God for an answered prayer this week.
- Pray for open hearts to receive His Word and to grow in loving others like He does.

## MEDITATE

### Engage

Start the conversation with this question...

What's one thing someone did for you that made you feel really loved?

### Key Points

Connect to God's truth by sharing...

- The cross clearly shows us what real love looks like. Jesus didn't just talk about love—He showed it through His actions.
- **Jesus' love is sacrificial.** Jesus gave His life at the cross to save us. We can love sacrificially by choosing to put others first, even when it's inconvenient or uncomfortable.
- **Jesus' love is generous.** He offers us forgiveness, grace, and an abundant life. We can love generously by sharing our time, help, encouragement, and resources with others.
- **Jesus' love is unconditional.** He loved us “while we were still sinners,” not because we earned it. We can show unconditional love by being patient, forgiving, and kind—even when others don't meet our expectations.
- There's no way we can love perfectly like Jesus, but with His strength and grace, we can love others in real, meaningful ways.

## **Discuss Together** *(pick at least one)*

- How have you experienced someone's sacrificial or generous love before? What's something about the way they loved you that you'd want to learn from or show to others?
- How does knowing Jesus loved you first help you love others better?
- Think of someone you're having a tough time loving. How can you show them a little of the patience, kindness, or forgiveness Jesus has shown you?
- What's one practical step you can take today to reflect Jesus' love at home, school, or work?

**PROCLAIM**

Declare this truth based on your identity in Christ

## **Key Truth**

In Christ, I can love others with the same grace and kindness He has shown me.

## **Pray Together** *(pick at least one)*

- Thank Jesus for showing perfect love on the cross.
- Ask Him to help you love sacrificially, generously, and unconditionally this week.
- Pray for each other's prayer requests.
