

# THE CHURCH'S MISSION

25 JANUARY 2026

---

**“I tell you, open your eyes and look at the fields! They are ripe for harvest.”**

— John 4:35 (NIV)

## PRAY

- Thank God for an answered prayer this week.
- Ask God to help you see people and opportunities the way Jesus does.

## MEDITATE

### Engage

Start the conversation with this question...

Can you think of a time when you realized God was at work in a simple, or ordinary moment?

### Key Points

Connect to God's truth by sharing...

- As the Church on mission, Jesus invites us to see the world the way He does and move forward with faith alongside Him.
- **See the opportunity.** Jesus saw God at work in everyday moments. Ordinary conversations and daily routines can be open doors for the gospel when we're attentive.
- **See the urgency.** While others wanted to wait, Jesus said the time was now. God's mission isn't something to delay—people are ready to hear, right where we are.
- **See our need for one another.** God designed the mission to be lived out in fellowship. Some sow and some reap, encouraging one another and rejoicing in what God is doing as one family.
- When we see as Jesus sees, we can live on mission with faith, urgency, and unity.

## Discuss Together (*pick at least one*)

- What might an “everyday opportunity” to love or share Jesus look like in your life right now?
- Why do you think it’s easy to delay, miss, or overlook God’s mission in daily life?
- Have you ever helped plant a seed—even if you didn’t get to see the outcome? What was that like?
- How can we encourage and support one another as we live on mission together?

## PROCLAIM

Declare this truth based on your identity in Christ

### Key Truth

In Christ, I can walk in God’s mission together with His people.

## Pray Together (*pick at least one*)

- Thank God for inviting us to take part in His mission.
- Ask God to open your eyes to everyday opportunities and give you the grace to respond in faith.
- Pray for each other’s prayer requests.

**6“I planted the seed, Apollos watered it, but God has been making it grow. 7So neither the one who plants nor the one who waters is anything, but only God, who makes things grow.”**
