01 FEBRUARY 2026

---

**<sup>1</sup>In the past God spoke to our  
ancestors through the prophets at  
many times and in various ways,  
<sup>2</sup>but in these last days he has  
spoken to us by his Son, whom he  
appointed heir of all things, and  
through whom also he made the  
universe.**

— Hebrews 1:1–2

### Engage

Start the conversation with this question...

When you really want to understand someone, what helps you slow down and listen with care?

### Key Points

Connect to God's truth by sharing...

- Hebrews opens with a powerful reminder: God is not silent.
- **God now speaks through Jesus.** In the past, God spoke in different ways, but now He speaks clearly through Jesus.
- **Jesus shows us exactly who God is.** He is the radiance of God's glory and the exact representation of His nature (Heb 1:3). We don't have to guess what God is like—we can simply look at Jesus.
- **Jesus holds everything together.** He created all things, sustains all things, forgives our sins, and now reigns as King. We can rest knowing our lives and future are secure in His hands.
- Because God speaks to us through Jesus, we can talk to Him anytime, anywhere, all the time. We can also listen, respond, and walk forward in faith and trust.

## **Discuss Together** (*pick at least one*)

- What is one area of your life you need to trust Jesus to hold together right now?

- How can you help others see what God is like by the way you live this week?
