Key Points

Connect to God's truth by sharing...

- Faith helps us keep going when God's promises are still unseen. We can persevere because we trust our Faithful God who made the promise.
- **Keep your confidence.** Following Jesus is a life of continuing to trust Him, even when difficult times can make us question whether it's worth it.
- **Persevere in doing God's will.** Faith is lived out through perseverance. We may not see the reward yet, but we can keep following Him and doing what He has called us to do, trusting that God will fulfill His promises.
- **Live by faith, not by what you can see.** The righteous live by faith, trusting God's promises even when they cannot see the fulfillment yet. Our faith looks beyond what is happening now to what God has promised.
- Because God is faithful to His promises, we can persevere today even when the reward is still unseen.
