Key Points

Connect to God's truth by sharing...

- Hebrews reminds us that faith is taking God at His word and building our lives upon what He has spoken. This is the nature of faith:
- **Faith trusts God's Word.** Because God created the entire universe simply by His word, we can trust Him to bring life and purpose into any uncertain situation we face today.
- **Faith seeks to please God.** Abel and Enoch trusted God and lived in response to Him. Faith draws near to God, believing that He is real and that He lovingly rewards those who earnestly seek Him.
- **Faith responds to God's Word.** Like Noah, faith takes God at His word even when we cannot yet see, and moves us to trust and obey Him.
- Faith in God means trusting what He has spoken and building our lives on it. As we trust and follow Him, we grow closer to Him and are transformed.

And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him.
