Think of a time someone stood with you in a difficult season. How did their support make a difference?

Key Points

Connect to God's truth by sharing...

- When Peter and John faced opposition in preaching the gospel, the believers gathered in prayer. Their response shows us how a Spirit-empowered church prays.
- **They prayed with one heart.** More than gathering in one place, they shared the same heart and purpose as they lifted their voices to God. We, too, can pray together in unity.
- **They magnified God.** Before making their requests, they acknowledged God as Sovereign Lord over all creation. Remembering His power helps us face challenges with confidence, boldness, and trust in Him.
- **They prayed according to Scripture.** Their prayers were shaped by God's Word and His purposes. They asked for boldness to proclaim the gospel despite opposition. We, too, can let Scripture guide our prayers and faithfully pray for others and those in authority (1 Tim 2:1–4).
- Through the Spirit, let's remain committed to seeking God together, allowing His Word to guide us, and boldly telling others about Jesus.

Discuss Together *(pick at least one)*

- Share a time when someone prayed with you during a difficult season. How did their prayers encourage or strengthen you?
- When you face pressure or opposition, what's usually your first response? What helps you turn to God in prayer?
- What's one area where you need boldness right now? How can the group pray with you for this?
- First Timothy 2:1–4 calls us to pray for all people, including those in authority. Who are some people or groups you rarely think to pray for? What could you pray for them this week?

And when they had prayed, the place in which they were gathered together was shaken, and they were all filled with the Holy Spirit and continued to speak the word of God with boldness.
